

K4Community Voice

Alexa Commands to Try

"Alexa, is the mail here?"

"Alexa, read the notices"

"Alexa, what are today's events?"

"Alexa, what are tomorrow's events?"

"Alexa, read Sunday's events"

"Alexa, what's for breakfast?"

"Alexa, what's for lunch?"

"Alexa, what's for dinner?"

"Alexa, what are today's specials?"

Alternatively, you can ask "Alexa, open K4" and you will be presented with options of hearing today's events, community notices, or if the mail has arrived.

Wow, this is cool! How does it work?

Your community team publishes content such as Events, Notices, and Menus so that you are able to ask Alexa to read this information.
