

## K4Community Voice New Features

---

*Alexa - Call Pat Jones.*

## Room-to-Room Calling By Resident Name

---

**Connecting with community friends has never been easier!**

This hands-free Voice feature

- Allows residents to call room-to-room through their Alexa-enabled device just by saying a resident's name, rather than having to know or remember room numbers.
- Makes it easier, quicker and more convenient for residents to connect with each other and stay engaged with their community.

Use a simple Voice command "Alexa, call Pat Jones"
